

We deliver cargoes intact on the dot.

## Chairman's Message

Seahawk Transport Inc. has more than a decade of expert service to boast in the forwarding industry. Driven by passion, we grow with our customers; your concern is our business.

Our calling is to make you grow. Our Integrity is our pride. We have employed more than 100 highly skilled professionals ready to provide answers to your unique needs and our family is still growing. It is our mission to be at the center of the different strategic locations all over the Philippines.

From its very beginning, our company is guided by the principles to provide not only our service but also our expert advises to make every single clientele move forward in the import-export business. In this trade, we know how important it is for a company's survival to have someone who is reliable. We are your allies to make sure you reach your goal.

Our partner industries attest how Seahawk paved the way to their growth. We do not adhere to just being competitive; rather we make the industry grow as all of us grow with it. We safeguard each industry member by safekeeping a healthy economic environment for everyone and employment for our countrymen.

With us, you do not only experience having the job done... but we make sure it is excellently done. We give you a worry-free service. We know we said it too many times but there is no other way to say it...we deliver intact, on the dot.

### About Us
